7.0 MANAGERS AND MANAGER RESPONSIBILITY

7.1 As is true of most workforces, DAP has several layers of management that range from front-line managers to senior management. Employees of DAP who have been assigned any level of supervisory responsibility are generally referred to as managers. Senior Management includes the President, Vice President and Directors. Being a manager at DAP is a privilege and carries with it great responsibility. With the designation of manager come certain responsibilities. Company managers are responsible for knowing, communicating to their subordinates as well as enforcing company policies. Unlike your subordinates, managers are responsible for administering certain discipline, recommending discipline, and reporting to senior management on performance. The management of employees in general, and in accordance with specific laws, is dependent upon effective communication between and among the various layers of leadership within DAP. Managers are responsible for reporting tardiness, unscheduled absences, unusual work performance, behavior or conduct. Managers are required to promptly (within 48 hours, if not sooner) advise the Human Resources Department of any employee who announces to the manager that he or she will be off work on an extended leave (three (3) days or more). When an employee calls off for a third consecutive day, managers are required to advise the Human Resources Department on the third day of absence, so that where applicable, leave can be designated as FMLA leave. Managers must be aware of and must notify Senior Management and the Human Resources Department of changes in employee status, e.g. when an employee quits. It is the responsibility of the management group to make sure that safe working conditions are maintained and that safe working practices are followed. It is a manager's responsibility to lead the way on working

safely. The failure of a manager to execute supervisory responsibilities effectively may result in discipline under certain circumstances including a demotion or decrease in pay.

9.0 HOLD FOR FUTURE USE

10.0 CONDUCT

10.1 In a business such as ours, many employees come into contact with customers, vendors, and other guests. These individuals develop impressions of DAP based on their contact with our employees. All employees are expected to maintain a positive work atmosphere by acting and communicating in a safe, proper and respectful manner with customers, guests, suppliers, vendors, co-workers and managers. Rude, discourteous or un-business-like behavior creating a disturbance on company premises or creating discord with customers, guests, suppliers, vendors, fellow employees or managers will not be tolerated. Use of profane language is prohibited.

10.2 Employees are expected to conduct themselves in a business-like manner. Employees must recognize the need to be cooperative and flexible so as to contribute to DAP's goal of providing the highest quality of service and products to its customers. It is expected employees will comply in a cooperative manner with any reasonable request of DAP.

10.3 Theft: DAP will not tolerate monetary or property theft of any kind. We consider property to include the unauthorized use of company services, products or its facilities as well as the taking of or giving away of any unauthorized property for personal use. No items purchased or supplied by DAP should ever be removed from DAP premises or used without the expressed authorization of Senior Management. Employees that violate this policy will be subject to discipline up to and including termination and prosecution.

11.6 Documenting Time Worked: DelGrosso's Amusement Park uses a computerized time clock system for recording work time of employees. Time-In and Time-Out must be clocked every day using the employee identification (ID) badge. Employees must use only the time clock specified by your Department Manager. Using any device other than the specified time clock is prohibited unless you have made prior arrangements with your Director. When taking an assigned meal period, employees should use the closest available time clock. All employees are also required to document their clock in and out times on the Department Sign In and Out Form, in addition to clocking in and out on the time clock. Your Department Manager will provide the location of the Sign In and Out form. Employees must use the actual time listed on the time clock. Military time and rounded time is not acceptable. Employee time is reviewed and approved on a regular basis by appropriate managers and submitted on a bi-weekly basis for payroll purposes. It is forbidden to clock another employee In or Out. In this case, both

14.0 WORK AREAS

14.1 The professional appearance of work areas makes an impression on all customers and visitors. Each employee is responsible for the neatness, cleanliness and the appearance of his/her work area. Each employee is also expected to take initiative and cooperate in maintaining all company public areas in the most presentable manner. Only DAP employees who are scheduled and clocked in for work are permitted in work areas.

15.0 ATTENDANCE – “No Fault” Point System

15.1 Regular on-time attendance by every employee, every scheduled work day, is vital to the successful operation of the organization and is a necessary condition of employment. It is each employee's responsibility to maintain a good record of attendance in order to meet customer needs.

15.2 DAP recognizes that an employee may have the occasional need to call off work due to illness, life events, or matters beyond the employee's control.

15.3 You have been hired to do an important job. Your regular and punctual attendance is essential to serving our customers. Unscheduled absenteeism is expensive and disruptive to the company, and creates a hardship on your co-workers. You are expected to be at work when scheduled except when serious illness or other unavoidable emergency prevents it. Your attendance record will accurately reflect your actual attendance at work.

15.4 Our attendance policy is a “no-fault system”. Any absence, tardy, or early leave will be recorded regardless of the reason, unless the absence is a result of one of the following:

- 15.4.1 Pre-approved vacation
- 15.4.2 Pre-approved bereavement leave
- 15.4.3 Lack of work
- 15.4.4 Pre-approved jury duty

to your Team Leader, Manager or Department Director as soon as possible and prior to the start of your shift. Text message, "WhenToWork" message, social media message, voicemail message without follow up as noted above and email are NOT acceptable.

15.6 If you are absent for more than one day, you must call in each day, unless you made previous arrangements with your Department Director.

15.7 No Call, No Show: If you fail to report off from work two times as noted above and fail to speak with your Team Leader, Manager or Department Director by the close of business of the day you are absent, DAP will assume on the second no call, no show that you have voluntarily resigned from employment, regardless of the reason for your absence. Your ability to resume employment with DAP will be in the sole discretion of DAP. Management reserves the right to decide if an extenuated problem may be a valid excuse.

15.8 Patterns of absences, i.e., weekends, the day before or after a holiday or vacation, are unsatisfactory and will be carefully scrutinized.

15.9 Occurrence Point Chart:

# of Points	Given These Circumstances
1/2	A tardy is defined as starting work four (4) or more minutes after the start of the shift, up to two hours into the shift.

15.10.2 DAP reserves the right to require documentation of illness at its sole discretion. Any limitations imposed upon the employee by the physician also should be stated in the documentation.

16.2 It is our desire to handle all complaints, issues, problems, etc. promptly and courteously. We have placed a locked suggestion box in the Park Office and Guest Services at Laguna Splash. Employees may write suggestions and feedback for management. The suggestions will be picked up bi-weekly and reviewed individually. This is your opportunity to voice your opinions, comments, and concerns in a confidential manner.

17.0 DAP-OWNED OR CONTROLLED PROPERTY

17.1 All Company owned or controlled property must be used properly and maintained in good working order. Employees who lose, steal, alter or misuse company owned or controlled property may be personally liable for replacing or repairing the item and may be subject to discipline.

17.2 When Company owned or controlled property or equipment is issued to an employee, he/she will be asked to complete a "sign in/sign out" form upon receipt and return of any borrowed equipment. Any employee receiving DAP-owned or controlled property and equipment that is kept with the employee during the course of employment will be asked to sign a document verifying receipt and understanding of the company policy regarding that specific property or equipment. All DAP-owned or controlled property must be maintained in the condition it was provided, except for normal wear and tear. Examples include, but are not limited to, vehicles, golf carts, computers, cell phones, projectors, USB devices maintenance equipment, etc.

18.0 COMPENSATION

18.1 It is the policy of DAP to maintain a fair and competitive pay structure for all positions within the Company. DAP has placed each position within the organization in a wage step scale. A wage step scale is a pay range that designates a minimum rate, midpoint, and maximum rate for each position within the organization. Each position is placed in a pay range that is determined by job classification, market value, and duties and responsibilities for each position.

18.2 All seasonal positions will be paid according to the current wage step scale. Pay rates will be adjusted at the beginning of each season. Pay rates will not change throughout the season unless a promotion or transfer occurs into a position of a higher or lower grade.

18.3 DAP will adhere to each of the following in regards to compensation practices:

18.3.1 Analyze each position (review education, competencies, and skills and abilities needed) in order to place it in an appropriate pay grade.

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

18.3.2 Establish and maintain pay levels which are competitive with those paid by companies similar in size and function which operate in and recruit from similar marketplaces, and which coincide with the Company's ability to pay.

18.3.3 The Board of Directors and/or Senior Management will vote annually whether or not to provide a pay increase.

18.3.4 Maintain a compensation program which is flexible enough to respond to changing economic and/or competitive conditions of the Company or the market in general.

18.3.5 Abide by applicable federal and state laws covering wage administration.

18.3.6 Human Resources is responsible for: 1) Coordinating a process for job analysis, which is used to establish appropriate pay levels and pay grades for positions and 2) Establishing pay structures, processing pay increases, and processing other compensation-related programs.

18.4 Tips: Employees are not permitted to accept tips from customers. Employees are also not permitted to accept a cash payment in lieu of tickets or an all-day pass.

18.5 Show Up Time: There may be times when an employee reports for work but no work is performed. Typically this would occur due to inclement weather. In these situations where work is cancelled, the employee will be paid for one hour of show up time.

19.0 PERFORMANCE REVIEWS

19.1 A performance evaluation will be reviewed with each employee annually to communicate with the employee about his/her performance and how it might be improved. The results of the review process also forms the basis for determining promotions, terminations, need for additional training, etc. The Department Manager and/or Director will meet with each employee to discuss the results of the review.

20.3 DAP will investigate all such complaints promptly to determine whether discrimination has occurred.

20.4 Any employee or manager who is found, after appropriate investigation, to have engaged in equal employment opportunity violations will be subject to disciplinary action, depending upon the circumstances, up to and including termination of employment, as further described in DAP's discipline policy.

20.5 Retaliation against any employee who reports inappropriate discriminatory conduct or assists in the investigation of a complaint is prohibited. No employee will be disciplined or otherwise retaliated against as a result of making a complaint or participating in an investigation of a complaint. Retaliation in violation of this policy may result in discipline up to and including termination.

20.6 A copy of all required federal and state employment notices are available to employees and properly posted on the required posting bulletin boards at the Park Office and Guest Services at Laguna Splash.

case of a medical emergency, managers/employees may NOT transport other employees to receive medical treatment. After the employee has started receiving medical attention, the manager is required to notify Human Resources and in the case of a minor, the employee's emergency contact.

21.2.2 If an employee sustains an illness or injury at work and it is NOT a medical emergency, the manager should call Human Resources. Human Resources will schedule/coordinate medical appointments.

21.2.3 Failure of any employee to report an incident to his/her manager may result in disciplinary action up to and including termination.

21.2.4 Any employee involved in an incident may be subjected to post-accident drug and alcohol testing consistent with the drug and/or alcohol testing provisions in this handbook.

21.2.5 Employees with personal injuries that require medical treatment are required to be seen by a physician on the designated Workers' Compensation Panel of Health Providers. (A list of providers is found in section 22.7, on Ultipro and posted on the required bulletin boards.) Payment for treatment obtained with non-panel providers may be denied.

21.2.6 Employees that are off work due to a work-related injury and are released by a physician for return to work will not be permitted to return without a detailed, written return to work authorization form from their attending physician. 22.0 WORKERS' COMPENSATION BENEFITS

22.1 Employee Responsibilities - Pennsylvania Workers' Compensation Act

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

22.1.1 The employee is responsible for providing notice of the injury to the employer. The employee must provide notice that: the injury/illness/incident occurred; it is work-related; the employee has incurred disability or has required medical treatment as a result.

22.1.2 The notice must be given to claimant's supervisor, manager or someone in some position of authority. Notifying a co-employee who has no authoritative position is not proper notice. If an employee notifies the employer without stating that disability has resulted and that it is work-related, then notice is deficient.

22.2 Employee Rights - Pennsylvania Workers' Compensation Act

22.2.1 If you are injured while at work and medical treatment is necessary, you are required to obtain treatment from one of the health care providers listed in the panel designated by your employer for a period of 90 days from the date of your first visit. A copy of the current panel is properly posted on the required posting bulletin boards at various sites on the premises and available to employees.

22.2.2 If you have a medical emergency, you may go to the closest hospital, physician or other health care provider of your choice. If follow up treatment is needed, you must then seek treatment from a physician or other health care provider listed on your employer's physician panel list for the first ninety (90) days from the date of your first treatment.

22.2.3 If during the initial 90-day period you wish to change medical providers, you must once again revisit your employer's panel and select a new physician. If you seek treatment from a non-panel provider within the first ninety (90) days following your first visit, your employer will not have to pay for those services.

22.2.4 In the event invasive surgery is prescribed by a physician or other health care provider on your employer's panel, you are entitled to a second opinion from any other health care provider of your choice. If the opinion differs from the one provided by the panel provider, you may choose which course of treatment to follow. However, the second opinion must state a specific course of treatment. If you choose the treatment offered by the second opinion you must receive that treatment from a panel provider for a period of ninety (90) days from the date of the visit to the provider of the second opinion.

22.2.5 After the initial 90-day period has expired, if you wish to treat with a non-panel health care provider, you must notify your employer within five (5)

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

days of your first visit with your new provider. Failure to notify your employer will relieve your employer of the responsibility for the payment of services rendered if such services are determined to have been unreasonable or unnecessary. The non-panel provider must provide an initial report to the employer, within ten (10) days of the first treatment and every thirty (30) days thereafter, as long as the treatment continues.

22.2.6 In addition to providing physician services, your employer will also provide medicines, supplies, hospital treatment, orthopedic appliances and prostheses.

22.2.7 If you are required to be confined to a hospital as a result of your work injury, you are entitled to a semi-private room.

22.2.8 If you refuse reasonable services of health care providers, surgical/medical or hospital services, treatment, medicines and supplies, you will forfeit all rights to compensation for injury or an increase in your incapacity which results from your refusal.

22.2.9 Panel and non-panel health care providers must accept payment as calculated under the Act. You are not responsible for any charges in excess as calculated under the Act, unless your treatments are unrelated to the injury covered under the Act.

22.3 Questions: If you have any questions about your rights or responsibilities, please contact the Pennsylvania Bureau of Workers' Compensation at 800-482-2382.

22.4 Employees who are not working due to a work-related injury will be subject to regulations under FMLA. If an employee qualifies for FMLA, FMLA leave will run concurrently with the workers' compensation leave of absence. If an employee exhausts FMLA leave while on workers' compensation leave of absence, the employee no longer has a job protected leave of absence. In other words, if while you are on workers' compensation leave of absence and FMLA leave is exhausted, there is no expectation of employment upon being cleared to return to work by your physician. There is no guarantee of return to work back into the same position with the same pay rate as provided by FMLA. If an employee becomes cleared to work and a position is no longer available, the employee may be terminated from employment.

22.5 Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information or conceals for the purpose of misleading, information concerning any fact material thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

23.0 SUBSTANCE ABUSE

23.1 DAP values its employees, its customers, and its business reputation. It is committed to protecting the safety, health and well-being of its employees, as well as those who enter on its property or use its products. This commitment also extends to preventing anyone or their actions from undermining the public's confidence in our company and its reputation. Because substance (most often, illegal drugs or illegally obtained and/or used prescription drugs) and/or alcohol abuse pose a direct and significant threat to this goal, DAP is committed to creating and maintaining a workplace free from the effects of alcohol and/or substance abuse. This policy is

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

adopted and enforced in order to achieve that commitment. Additionally, recognizing adverse legal, economic, and social consequences of substance and/or alcohol abuse, this policy is adopted and enforced in order to maintain consumer confidence; protect DAP-owned or controlled property, equipment and operations; maintain high employee morale; comply with applicable state and federal laws, deter substance and/or alcohol use; and maintain a safe environment for our employees and the public.

23.2 This policy shall apply to all seasonal employees.

23.3 This policy applies to "on-duty" employee conduct which is defined as (1) during work; (2) while on work premises [whether on or off-duty] at any DelGrosso location; (3) while presenting at or attending training, seminars, marketing events or recruiting sessions sponsored by, paid for by, approved by or required by DAP [regardless of location]; (4) during lunch and other breaks during a scheduled shift [whether paid or unpaid]; (5) while operating a motor vehicle for business purposes and within the scope of the employee's job. "On-duty" does not apply to business functions as outlined in 41.3.

23.4 This policy governs employee conduct with regard to illegal drugs, drugs listed by the Drug Enforcement Agency (DEA) as drugs of concern, prescription drugs, over-the-counter (OTC) drugs and alcohol. Illegal drugs are those drugs defined as illegal under federal, state, or local laws including but not limited to: Marijuana, Heroin, Hashish, Cocaine, Hallucinogens.

Prohibited Conduct

23.5 DAP strictly prohibits employees and others working on DAP premises from reporting to work or working under the influence of detectable levels of illegal drugs. DAP also prohibits the use or possession of drug paraphernalia and adulterants that are used to mask the use of illegal drugs.

23.6 DAP strictly prohibits the manufacture, distribution, dispensing, possession, use, and/or sale of illegal drugs and/or alcoholic beverages, including excessive quantities of prescription or over-the-counter drugs and any other chemical substances that may affect an individual's mood, senses, responses, motor functions or alter or affect a person's perception, performance, judgment, reactions or senses.

23.7 Prescription Drugs: An employee shall not illegally sell, manufacture, distribute, dispense, use, possess, purchase, or obtain prescription drugs at any time; or be under the influence of or test positive for prescription drugs illegally obtained or used while on-duty. Prescription medication usage on-duty is permitted when taken in standard dosage and/or according to the physician's prescription, provided, however, that the prescribed drug would not pose a direct threat to workplace safety. Employees should not operate DAP-owned or controlled motor vehicles, equipment, or machinery if they

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

are using prescription medications as prescribed by a doctor that may interfere with the ability to operate the motor vehicle, equipment, or machinery; employees should notify their manager immediately of such circumstances.

23.8 Over-The-Counter (OTC) Drugs: While on-duty, an employee shall not be under the influence of, or test positive for, mood-altering OTC drugs used contrary to the product's labeling, i.e. misuse of OTC drugs.

23.9 Alcohol: An employee shall not illegally possess, use, distribute or attempt to distribute, manufacture, dispense, or be involved in illegal alcohol-related conduct; including, but not limited to driving under the influence and under-age drinking violations while on-duty. Furthermore, DAP prohibits its employees from the following alcohol-related conduct while on-duty:

23.9.1 Reporting to work or remaining at work where the employee has an alcohol concentration of 0.04 or greater;

23.9.2 Possessing alcohol while on duty or operating a commercial motor vehicle unless the alcohol is manifested and transported as part of a shipment;

23.9.3 Performing job functions within four (4) hours after using alcohol;

23.9.4 Consuming alcohol within eight (8) hours following an incident or before a post-accident alcohol test is performed (whichever is sooner) if the incident would require a post-accident alcohol test as specified in this policy. In no way is this test requirement intended to delay necessary medical treatment for injured people following an incident or to prohibit an employee from leaving the scene of an incident to obtain medical treatment for themselves or others;

23.9.5 Possessing open containers of alcohol;

23.9.6 Using, consuming, distributing, dispensing, testing positive or being under the influence of alcohol.

Drug and Alcohol Testing

23.10 Any employee may be tested for drugs and alcohol in accordance with this policy. Employee cooperation with all aspects of testing when requested is a mandatory condition of employment.

23.11 DAP, in accordance with Department of Transportation (DOT) regulations, must conduct DOT mandated and non-DOT mandated testing separately.

23.12 DAP is required by DOT regulations to check on the drug and alcohol testing history of new hires and other employees transferring into DOT regulated positions. DAP will obtain the written consent from the applicant or employee to obtain his or her previous DOT testing history for the previous three (3) years. DAP will send the request for information and the signed consent form to all other DOT-regulated employers for whom the applicant or employee has worked within the previous three

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

(3) years. If DAP finds that an employee has a violation on his or her record and has not completed the return-to-duty process, they must immediately be removed from performing safety-sensitive functions.

23.13 DAP may conduct tests for alcohol and/or drug use in the following circumstances:

23.13.1 Pre-Employment: DAP shall require all DOT-covered applicants to whom offers of employment are made to submit to a drug test. Pre-employment drug tests are typically administered after a conditional offer of employment has been extended. DAP reserves the right, however, to schedule pre-employment drug tests before or after an offer of employment as business circumstances dictate. Any applicant who is given a conditional offer of employment must receive a negative result on the pre-employment drug test. DAP shall withdraw its conditional offer of employment from an applicant whose drug test results are positive.

23.13.2 Return From Leave of Absence: Any DOT-covered employee returning from a leave of absence for a period of twelve (12) weeks or longer shall submit to a drug test and must receive a confirmed negative result prior to returning to work. In most cases, this will be scheduled as a portion of the return-to-work evaluation and coded as pre-employment.

23.13.3 Substance Abuse Treatment: For those employees who voluntarily enter treatment and/or rehabilitation, DAP will be as supportive of their recovery as possible without negatively impacting business operations. DAP welcomes the opportunity to participate in any treatment and continuing care plan to the extent deemed advisable by the treatment professionals and permitted by business concerns. DAP shall require an employee who has requested or taken a leave of absence for treatment of a substance abuse disorder or who is currently receiving treatment for a substance abuse disorder, to do the following before being permitted to return to work:

- 23.13.3.1 Submit to and receive a confirmed negative result for a drug and alcohol test which will be coded as pre-employment;
- 23.13.3.2 Actively participate in any and all treatment plans recommended by the treatment professional(s); and
- 23.13.3.3 Agree to comply with and sign a written Return to Work/Last Chance Agreement which includes a post treatment, unannounced/random testing program instituted with consent of the employee.

23.13.4 Reasonable Suspicion: DAP will require an employee to submit to breath alcohol and/or drug testing when DAP has "reasonable suspicion" to

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

believe that the employee has violated the prohibitions of this policy. Employees tested due to reasonable suspicion circumstances will not return to work until negative test results are received.

23.13.5 Post-Accident: In the event of any accident involving a DAP-owned or controlled vehicle, death, serious bodily injury, serious damage to property, or deemed by DAP to have had the potential for death, serious bodily injury or serious property damage, an employee will be required to immediately undergo drug and/or alcohol testing. Unless there is reasonable suspicion that the employee was under the influence of (a) drug(s) and/or alcohol at the time of the accident, the employee will return to work while waiting for the testing results.

23.13.5.1 In addition to the post-accident testing requirements listed above, DOT-covered employees are also subject to DOT post-accident alcohol and drug testing as soon as practicable following an incident involving a commercial motor vehicle if (1) the incident involved a fatality; (2) the vehicle involved in the incident needs to be towed from the scene and a citation is issued; (3) the incident requires medical treatment away from the scene and a citation is issued.

23.13.5.2 The post-accident test will be administered as soon as possible, but no later than 8 hours for an alcohol test and 32 hours for a drug test. An employee who is subject to post-accident testing and fails to remain available for such testing will be classified as having refused to submit to testing. An employee who is seriously injured and cannot be tested at the time of the incident must provide the necessary authorization for DAP to obtain hospital reports and other pertinent documents that might indicate whether there was alcohol or drugs in his or her system. In no way is this post-accident test requirement intended to delay necessary medical treatment for injured people or to prohibit an employee from leaving the scene of an incident to obtain medical treatment for themselves or others.

23.13.6 Random: DAP will conduct unannounced random drug testing of all non-DOT employees at an annual random rate of 4%. DAP will conduct random alcohol and drug testing of DOT-covered employees at the annual percentage rate set by DOT. The selection of employees for random testing will be made by a scientifically valid method, such as random number table or a computer-based random number generator that is matched with the employee payroll identification number or other comparable identifying number. Under the selection process used, each employee shall have an equal chance of being tested each time selections are made. The dates for administering random testing are spread reasonably throughout the calendar year. Each employee

2021 – Seasonal

who is notified of selection for random testing shall proceed to the test site immediately.

23.13.7 Follow Up: Follow-up testing is not applicable to seasonal employees.

Testing Procedures

23.14 Testing for illegal use of legal drugs and for use of illegal drugs will be conducted for DOT and non-DOT covered employees through urine specimens collected on-site or at an off-site collection site in accordance with Department of Transportation and Department of Health and Human Services (DHHS) guidelines. Urine specimens will be screened and confirmed in a DHHS certified laboratory. In special circumstances including, but not limited to, accidents, blood testing may be done instead of or in addition to urine testing. The collection site will take the necessary steps to assure that the specimen is not adulterated or tampered with and that a strict chain-of-custody is maintained. The specimen will then be transported to a DHHS certified laboratory for testing.

23.15 Panels: The specimens of employees not covered by DOT shall be subject to an ten (10) panel drug test which shall include the following substances and their metabolites: amphetamines, barbiturates, benzodiazepines, cocaine, marijuana, methadone, methaqualone, opioids, phencyclidine, and propoxyphene. The specimens of employees covered by DOT shall be subject to a five (5) panel drug test which shall include cannabinoids, amphetamines, phencyclidine, opioids and cocaine.

23.15.1 Alcohol testing for DOT covered employees will be conducted through collection of a breath specimen and shall be collected on-site, at the scene of an incident, or at an approved off-site collection facility. In special circumstances, including but not limited to accidents, blood testing for alcohol may be done instead of, or in addition to, breath testing.

23.15.2 An initial alcohol screening test will be performed for DOT covered employees. If the blood alcohol concentration is less than 0.02, the test is considered negative. If the screening test results show an alcohol concentration level of 0.02 or greater, a confirmation test will be conducted. The confirmation test will be a breath test conducted on an Evidentiary Breath Testing (EBT) device approved for use in the DOT's Drug and Alcohol Misuse Prevention Program. If the confirmation test reads 0.02 or greater, the test results shall be considered positive and the employee will be subject to disciplinary action up to and including termination.

23.16 Lost Wages: Any lost wages for the drug testing waiting period are paid out upon the report of a negative test result and the employee's return to work. Lost

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

wages would be paid based on the employee's scheduled shifts in the waiting period. If, for any reason, a separation of employment takes place prior to the return to work, the employee will not be compensated for time away from work awaiting drug testing results. Since the employee will not have actually worked during the time period away from work, such time shall not be counted toward overtime pay.

23.17 Transportation: An employee suspected of being under the influence or testing positive for drugs and/or alcohol will (1) be required to call someone to transport them to the testing facility or home, or (2) be provided with an alternate means of transportation to the testing facility or home. An employee suspected of being under the influence should not be allowed to drive while the suspicion persists.

23.18 Medical Review Officer Review: All drug test results will be reviewed and interpreted by a Medical Review Officer (MRO) before the test results are reported to DAP. An MRO is a licensed physician with knowledge of drug and alcohol abuse disorders.

23.18.1 The review of a negative DOT drug test is an administrative process to ensure that the chain-of-custody procedures were intact. The MRO review of a positive or non-negative test result is not only to ensure the chain-of-custody procedures but also is to examine alternate medical explanations for the positive test result.

23.18.2 The MRO review of a positive test result may include conducting a medical interview (typically conducted over the phone with the employee) and review of the tested employee's medical history, or review of any other relevant biomedical factors. The MRO will review all medical records made available by the tested employee when a confirmed positive could have resulted from legally prescribed medication or physician-directed over-the-counter drug use.

23.18.3 Prior to making a final decision to verify a positive test result, the MRO will give the tested employee an opportunity to discuss the test result with him or her. The MRO will contact the tested employee directly, on a confidential basis, to determine whether the employee wishes to discuss the test result.

23.18.4 If, after making all reasonable efforts and documenting them, the MRO is unable to reach the tested employee directly, the MRO will contact DAP who will direct the tested employee to contact the MRO as soon as possible. In such circumstances, DAP will, to the maximum extent possible, ensure that the requirement that the tested employee contact the MRO is held in confidence. If the tested employee does not contact the MRO within five (5) days after being instructed to do so, the MRO will verify the test as being positive. Should the employee subsequently present satisfactory documentation that serious illness, injury, or other unavoidable circumstances prevented the employee from

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

contacting the MRO within the five (5) days and presents legitimate explanations for the failure of the drug test, the MRO may review the test result with the employee.

23.18.5 If the employee refuses to talk with the MRO regarding the positive drug test result, the MRO shall validate the failure and record the drug test as an unconfirmed positive. Upon completing the review: (1) if the MRO determines that there is no alternate medical explanation for the positive test results, the MRO will report to DAP that the test result is positive; (2) if the MRO determines that a legitimate medical explanation exists for the test results, the MRO will report to DAP that the test result is negative.

23.18.6 If the MRO determines a positive test for marijuana and the employee does not provide proof of a prescription for the active ingredients causing the positive test result to the MRO, the MRO notifies DAP of the positive and the need for DAP to determine whether the employee has a current valid Medical Marijuana Identification Card ("MM ID") issued under the Pennsylvania Medical Marijuana Act (MM Act). Upon receipt of such notice from the MRO, DAP will confidentially ask the employee whether the employee has a current valid MM ID, and if the employee does, the employee will have five (5) business days to produce the current valid MM ID to Human Resources. Human Resources may make a copy of the card and store it confidentially in the same way it keeps medical certifications under FMLA. Failure to possess a current valid MM ID as a result of a positive test for marijuana or to provide proof of the current valid MM ID within five (5) business days shall be deemed a positive test result for marijuana subjecting the employee to discipline as provided for in this Handbook. For any employee who possesses a current valid MM ID card, DAP will not discriminate against such employee as provided for under the MM Act; however, DAP is not required under the MM Act to make an accommodation for the use of medical marijuana on the DAP property. Additionally, the MM Act does not prohibit DAP for disciplining an employee for being under the influence of medical marijuana in the workplace or for working while under the influence of medical marijuana when the employee's conduct falls below the standard of care normally accepted for that position. The MM Act does not require DAP to commit any act that would cause DAP or any person acting for DAP to violate Federal law. An employee having a current valid MM ID may not operate or be in physical control of any of the following while under the influence with a blood content of more than 10 nanograms of active tetrahydrocannabinis per milliliter of blood in serum: (a) chemicals which require a permit issued by the Federal Government or a state government or an agency of the Federal Government or a state government; or (b) high-voltage electricity or any other public utility. Additionally, any employee having a current valid MM ID may not perform any employment duties at heights or in a confined space while under the influence of medical marijuana, and DAP may prohibit such employee from performing any

2021 – Seasonal

task that DAP deems life-threatening to either the employee or any other DAP employees or which could result in a public health or safety risk, while under the influence of medical marijuana.

23.19 Direct Observation Collections: DOT requires an employer to conduct a collection under direct observation in the following circumstance:

- The MRO reported a cancelled test due to an invalid specimen for which there is no medical explanation.
- The MRO cancelled a positive, adulterated, or substituted test because the test of the split specimen could not be performed.
- The MRO reported negative-dilute results with a creatinine concentration greater than or equal to 2 mg/dL but less than or equal to 5 mg/dL.
- The collector observed materials brought to the collection site or the employee's conduct clearly indicates an attempt to tamper with a specimen.
- The temperature on the original specimen was out of range.
- A specimen presented to the collector appeared to have been tampered with.
- The drug test is a return-to-duty or a follow-up test.

Failure of the employee to permit any part of the direct observation procedure is considered to be a refusal to test.

23.20 Employee Verification of a Positive DOT Test: For DOT urine drug testing, one portion of the specimen will be preserved for up to 60 days after the employee is told the test results. If the portion originally analyzed (the primary sample) is positive, the employee shall have the right to specify a laboratory certified by the US Department of Health and Human Services to which the preserved portion will be sent for an independent analysis. The employee will be advised of this right and the employee must exercise this right within 24 hours of receiving notification by submitting in writing the request to proceed with verification testing to the Senior Director of Human Resources. The verification test costs shall be the responsibility of the employee, if the verification test result is positive. A money order in the test amount shall be made out to DelGrosso Foods, Inc. and submitted to the Senior Director of Human Resources prior to testing and within 24 hours of the request to proceed with verification testing. If the verification test result is negative, the cost of the test shall be the responsibility of DAP, and the money order shall be returned. The verification test results will be controlling.

23.21 Refusal to Test and Test Tampering: An employee or applicant who refuses to submit to testing, tampers, manipulates or attempts to tamper with the testing will be treated as having tested positive and will be subject to termination for violating this policy. In the case of an applicant, DAP will withdraw its offer of employment. A refusal to take a test will include the following employee or applicant behaviors:

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

- 23.21.1 Failing to appear for any test within a reasonable time, as determined by DAP, after being directed to do so by DAP.
- 23.21.2 Failing to remain at the collection site until the testing process is complete.
- 23.21.3 Failing to provide a urine specimen when required for a drug test or breath specimen for an alcohol test.
- 23.21.4 Failing to permit a directly observed or monitored collection, when required.
- 23.21.5 Failing to provide a sufficient amount of urine or breath when directed, and it has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure.
- 23.21.6 Declining to take a second test as directed.
- 23.21.7 Failing to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process or as directed by DAP as part of the shy bladder procedures or insufficient breath situation.
- 23.21.8 Failing to cooperate with any part of the testing process.
- 23.21.9 Failing to immediately report a job-related incident, thus failing to be subject to mandatory drug or alcohol testing.

23.22 Dilute and Fatal Flaw Specimens: For negative dilute test results and fatal flaw specimens, DAP will require the employee take another test immediately. The result of the second test, not the original, becomes the controlling test result.

23.23 Discipline for Policy Violations: The consequences for violating this policy are serious and are governed generally by the DAP Discipline Policy. We feel that the safety of our employees is of the utmost concern. Violations of this policy will result in termination.

23.24 Employee Assistance Program: DAP provides an Employee Assistance Program (EAP). It is available to any employee and his or her family to assist with any personal problems, including but not limited to, substance abuse problems. Any employee with a substance abuse problem is strongly encouraged to seek help voluntarily. Should an employee seek help voluntarily for a substance abuse issue, a leave will be offered if the employee is qualified.

23.24.1 Any employee who receives a mandatory referral to the EAP for work performance problems and refuses to participate in the EAP and to follow through with its recommendation, or to successfully complete the EAP recommended course of action shall be subject to discipline up to and including termination.

23.24.2 Any employee that is terminated due to a violation of the Substance Abuse Policy is still able to use the EAP service at no cost to the

employee to obtain assistance with an alcohol or drug abuse issue. The terminated employee is encouraged to use this benefit as a resource to find a Substance Abuse professional. All costs associated with the Substance Abuse professional are the responsibility of the employee.

23.25 Referral to Law Enforcement: In addition to imposing discipline, DAP may refer to the appropriate law enforcement agency information regarding a violation of this policy when it deems appropriate.

23.26 Confidentiality of Test Results: All drug and alcohol test results will be reported to Human Resources. All records regarding whether and when a drug test was conducted and the results are confidential records. They will be maintained in secured files under the control of Human Resources. The test results will not be included in personnel files. Results will only be disclosed as follows:

23.26.1 On a need-to-know basis, including but not limited to, the MRO and the Senior Director of Human Resources; with an individual's written authorization; in accordance with a court order or valid subpoena; to the decision maker in a legal action initiated by or on behalf of the employee or placed at issue by the employee in any legal, administrative or proceeding;

23.26.2 To governmental agencies for statistical purposes; or as otherwise required by federal, state, or local law. An employee shall have the right to see the results of his or her own drug or alcohol test(s).

24.0 SEXUAL/DISCRIMINATORY HARASSMENT

24.1 DAP strives to create and maintain a work environment in which people are treated with dignity and respect without intimidation, oppression, and exploitation. We believe that employees should be able to work in safe and comfortable work environment. DAP will not unlawfully discriminate or tolerate unlawful discrimination with regard to race, color, religion, sex, national origin, age, pregnancy or the potential to become pregnant, gender identity, transgender status, sexual orientation, disability, military and veteran status, genetic information or marital status. Harassment based upon any protected characteristic will not be tolerated.

24.2 All employees, regardless of position, are covered by and are expected to comply with this policy and take appropriate measures to ensure that prohibited conduct does not occur. If you see something, say something. Employees at all times should treat other employees respectfully and with dignity in a manner so as not to offend the sensibilities of a co-worker.

24.3 Through education of employees and enforcement of this policy, DAP will seek to prevent, correct, and discipline behavior that violates this policy.

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

Based upon the seriousness of the offense, appropriate disciplinary action up to and including termination will be taken against any employee who violates this policy.

24.4 Discrimination: It is a violation of this policy to unlawfully discriminate in the provision of employment opportunities, benefits or privileges; to create unlawful discriminatory work conditions; or to use unlawful discriminatory evaluative standards in employment if the basis of that unlawful discriminatory treatment is a person's race, color, religion, sex, national origin, age, pregnancy or the potential to become pregnant, gender identity, transgender status, sexual orientation, disability, military and veteran status, genetic information or marital status. Unlawful discrimination of this kind may also be prohibited by a variety of federal, state, and local laws, including Title VII of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, and the Americans with Disabilities Act of 1990. This policy is intended to comply with the prohibitions stated in these anti-discrimination laws.

24.5 Harassment: Harassment, including sexual harassment, is prohibited by state and federal law. The definition of harassment is verbal or physical conduct designed to threaten, intimidate, or coerce. Also, verbal taunting (including racial or ethnic slurs) that, in the employee's opinion, impairs his or her ability to perform his or her job. Examples include:

24.5.1 Verbal: Comments that are not flattering or are unwelcome regarding a person's nationality, origin, race, religion, color, gender, sexual orientation, age, body disability or appearance. Epithets, slurs, negative stereotyping.

24.5.2 Non-Verbal: Distribution, display, or discussion of any written or graphic material that ridicules, degrades, insults, belittles, or shows hostility or aversion toward an individual or group because of national origin, race, color, religion, age, gender, sexual orientation, pregnancy, appearance disability, gender identity, marital or other protected status.

24.6 Sexual Harassment: Sexual Harassment in any form is prohibited and is unlawful under Title VII of the Civil Rights Act of 1964. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature where (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based on an individual's acceptance or rejection of such conduct; or (3) such conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive work environment.

24.7 Retaliation: It is also unlawful to retaliate or take reprisal in any way against anyone who has articulated any concern about discrimination, harassment or sexual

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

harassment, whether that concern relates to the individual raising the concern or against another individual.

24.8 Prohibited Conduct: DAP considers the following conduct to represent some of the types of acts that violate the sexual harassment policy:

24.8.1 Physical assaults of a sexual nature.

24.8.2 Unwelcome, unwanted physical contact, including but not limited to touching, tickling, pinching, patting, brushing up against another employee's body, hugging, cornering, kissing, fondling, rape, sexual battery, molestation or attempts to commit these assaults.

24.8.3 Unwanted sexual advances, propositions (this includes repeated, unwelcome requests for dates) or other sexual comments.

24.8.4 Sexually oriented gestures, noises, remarks, jokes, or comments about a person's sexuality or sexual experience directed at or made in the presence of any employee who indicates or has indicated in any way, that such conduct in his/her presence is unwelcome.

24.8.5 Preferential treatment or promise of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward.

24.8.6 Subjecting, or threats of subjecting, an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of that employee's gender.

24.8.7 Sexual or discriminatory displays of publications in the work place such as displaying pictures, posters, calendars, graffiti, objects, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic. A picture will be presumed to be sexually suggestive if it depicts a person of either sex who is not fully clothed, or in clothes that are not suited to or ordinarily accepted for the accomplishment of routine work, and who has posed for the obvious purpose of displaying or drawing attention to private portions of his or her body.

24.8.8 Displaying signs or other materials purporting to segregate an employee by sex in any area of the work place, other than restrooms and similar semi-private lockers/changing rooms.

24.8.9 Retaliation against employees who report inappropriate conduct, unlawful harassment or participate in an investigation of a complaint such as

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

disciplining, changing work assignments of, providing inaccurate work information to, or refusing to cooperate or discuss work related matters with any employee because that employee has complained about, or resisted harassment, discrimination or retaliation. Intentionally pressuring, falsely denying, lying about or otherwise covering up or attempting to cover up conduct is also prohibited.

24.8.10 The above is not to be construed as an all-inclusive list of prohibited acts under this policy.

24.9 Complaints: Any employee who believes that they have been subject to discrimination, harassment, or sexual harassment, attentional as explained above, should make their unease and/or disapproval directly and immediately known to the discriminator/harasser whenever possible. If the situation is not immediately resolved or if the employee is not comfortable addressing the alleged discriminator/harasser directly, he or she should report the incident to his/her manager or Human Resources as soon as possible. To initiate a formal investigation into an alleged violation of this policy, the individual filing the complaint (hereafter referred to as the complainant) will often be asked to provide a written complaint to Human Resources. Human Resources may assist the complainant in documenting the specific nature of the complaint. To ensure the prompt and thorough investigation of a complaint, the complainant should provide as much of the information as is possible, including (1) The name, department and position of the person or persons allegedly causing the discrimination, harassment or sexual harassment (hereafter referred to as the respondent); (2) A description of the incident(s), including the date(s), location(s) and the presence of any witnesses; (3) The alleged effect of the incident(s) on the complainant's position, salary, benefits, promotional opportunities, or other terms or conditions of employment; (4) The names of other employees who might have been subject to the same or similar harassment; (5) In the case of harassment or sexual harassment, the steps the complainant has taken to try to stop the harassment or sexual harassment; (6) Any other information the complainant believes to be relevant to the complaint.

24.9.1 Managers must deal expeditiously and fairly with allegations of discrimination, harassment, or sexual harassment within their departments whether or not there has been a written or formal complaint. Managers must:

24.9.1.1 Take all complaints or concerns of alleged or possible harassment or discrimination seriously no matter how minor or who is involved.

24.9.1.2 Ensure that discrimination, harassment or sexual harassment is reported to Human Resources immediately so that a prompt investigation can occur.

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

24.9.1.3 Take any appropriate action to prevent retaliation or prohibited conduct from reoccurring during and after any investigations or complaints.

24.9.1.4 Take notes and document, who, where, when (dates/times), witnesses, and the nature of the complained of conduct.

24.9.2 Managers who knowingly allow or tolerate discrimination, harassment or sexual harassment and/or don't respond to a complaint of discrimination, harassment or sexual harassment or retaliation, are in violation of this policy and subject to discipline.

24.9.3 Human Resources is responsible for:

24.9.3.1 Ensuring that both the complainant and the respondent are aware of the seriousness of the complaint.

24.9.3.2 Explaining employer's Sexual/Discriminatory Harassment Policy and investigation procedures to the complainant and the respondent.

24.9.3.3 Arranging for an investigation of the alleged improper conduct and the preparation of a written report.

24.9.3.4 In the case of harassment or sexual harassment, exploring informal means of resolving complaints.

24.9.3.5 Notifying the police if criminal activities are alleged.

24.9.4 In situations where an employee has reported improper conduct under this Sexual/Discriminatory Harassment Policy to his/her immediate manager and the concerns were not addressed or resolved, the employee must notify the Senior Director of Human Resources.

24.10 Discipline: Employees who violate this policy are subject to appropriate discipline. If an investigation results in a finding that this policy has been violated, the mandatory minimum discipline is a written warning. The discipline for very serious or repeat violations is termination of employment. Persons who violate this policy also may be subject to civil damages or criminal penalties.

24.11 Confidentiality: All inquiries, complaints and investigations are treated confidentially. Only those who have an immediate need to know, including the person to whom a report was made, the alleged target of discrimination, harassment or retaliation, the alleged harasser or retaliator, and any witness will or may find out the identity of the complainant. All parties contacted in the course of an investigation will be advised that all parties involved are entitled to respect and that any retaliation or reprisal against an individual who is an alleged target of discrimination, harassment or retaliation, who has made a complaint or who has provided evidence in connection with a complaint, is a separate actionable offense and subject to discipline under this policy.

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

All information pertaining to a complaint or investigation is maintained by Human Resources in secure files.

24.12 The procedures under this policy do not preempt or supersede any legal procedures or remedies otherwise available to a victim under state or federal law.

25.0 HOLD FOR FUTURE USE

26.0 TIME OFF

26.1 DAP realizes that there may be vacations or school-related activities that you may wish to attend. Due to the nature of our industry, DAP management must take into account the business requirements of the company when evaluating requests for time off work. Time off must be requested according to departmental policy prior to the posting of the department schedule, or as far in advance as possible. Approval for the specific time requested is not guaranteed and final authorization of time off rests with management. All requested days off will be unpaid.

26.2 Jury Duty: DAP will pay the difference between the jury duty allowance and the money you would have earned if you had not been on jury duty. A receipt must be presented for payment. This does not apply to Saturdays, Sundays, days not scheduled to work, or holidays.

27.0 DISCIPLINE

27.1 DAP desires to treat all employees equitably and to administer all policies, procedures, rules and regulations consistently. Employees are expected to observe basic rules of conduct and abide by rules, policies, and procedures set forth by DAP, as well as to meet job expectations. This is necessary to protect the interest of all employees. When an employee's performance is unsatisfactory, or when an employee violates the rules and regulations of the company, appropriate disciplinary action may have to be taken.

27.2 The implementation of this policy should not be construed as preventing, limiting, or delaying DAP from taking appropriate disciplinary action against an employee at any point in the process, including termination without prior warning, where DAP, in its sole discretion, finds such action appropriate.

27.3 Managers who administer discipline must contact their Director or Human Resources prior to administering discipline to determine employee's disciplinary history and discipline to be administered. Department Directors or Assistant Directors with immediate responsibility for employees may impose discipline up to suspension without pay for three (3) days. Department Directors or Assistant Directors must consult with

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

the President, Vice President and/or Senior Director of Human Resources prior to terminating employment.

27.4 Type of Disciplinary Action

27.4.1 Documented Coaching Session: This is the most common method employed for assisting an employee in improving work performance or complying with rules and policies. Counseling or coaching should be a cooperative attempt at determining and correcting the problem. The Manager documents the coaching session on an Employee Notice and forwards to Human Resources for filing.

27.4.2 Verbal Warning: The employee is verbally warned by the Manager about the employee's performance or conduct following a minor offense in an effort to eliminate possible misunderstandings, improve job performance, or to explain what constitutes proper conduct. The Manager documents this verbal warning on an Employee Notice and forwards to Human Resources for filing.

27.4.3 Written Warning: The employee receives a written notice of discipline following continued poor job performance or repeated minor offenses. The employee may also receive a written warning when the manager believes that the first offense is serious enough to warrant issuing a formal written notice. The purpose of written warning to make certain that the employee is fully aware of the level of misconduct the employee has committed, or of those areas of performance that must be improved. The written warning should also inform the employee of what is expected going forward, thereby enabling the employee to correct performance problems or avoid a recurrence of the incident.

27.4.4 Suspension: Suspension without pay occurs when an employee fails to correct performance after a final reprimand, or as the result of an accumulation of minor offenses, or as the result of a serious offense or act of misconduct.

27.4.5 Termination: Termination of employment is the severest penalty that can be imposed upon an employee. Such action should normally take place when DAP has made an attempt to have an employee correct performance or conduct and the employee has not responded; or when the employee's misconduct is of such a serious nature that DAP believes it has no practical alternative.

27.5 Management has reserved all rights of the employer of at-will employees and has the right to deviate from this process depending on the severity of the behavior involved. Severe behaviors may result in suspension or immediate termination.

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

Management reserves the right to start discipline at any level pending the severity of the issue.

27.6 All disciplinary actions are a permanent part of the employee file; however, the disciplinary process will restart each Park season.

27.7 Guidelines for Administering Discipline are included on the following chart. The purpose of guidelines is to assist in attaining uniformity for the violation of company policies, regulations or rules. The type of discipline recommended by the guidelines represents the level of discipline generally appropriate for each offense. The guidelines are not all inclusive, and the absence of an illustration on the list will not be the basis for avoiding disciplinary action when DAP believes such action is warranted.

28.0 ELECTRONIC DEVICES

28.1 The use of personal and DAP-required mobile communication devices and other electronic devices has expanded rapidly in the workplace. DAP does not wish to unreasonably constrain the use of these devices; however, we have a broader responsibility to (1) require that they are used in an appropriate manner; (2) provide a work environment that is safe for employees; (3) protect the integrity of proprietary information; (4) preserve the privacy of employees and guests; (5) prevent unauthorized or unlawful interception, disclosure or use of an electronic communication. This policy serves to define the use of electronic, mobile communication and recording devices that the Company or individuals may use at work or bring to work.

28.2 DAP-required electronic devices are for business purposes; however, they may be used for limited personal use that does not interfere with day-to-day company business or result in charges to DAP for exceeding minutes, text message limits or data

charges unrelated to DAP's business. Personal use that exceeds this standard may result in disciplinary action, and employees will be required to reimburse DAP for any costs or charges relating to excessive personal use of their DAP-required electronic device. DAP reserves the right to inspect electronic devices, text messages, social networks the employee accesses/utilizes through electronic device applications, data, emails, etc. sent or received on DAP-required electronic devices in the event abuse or misconduct is suspected or alleged and to ensure compliance with company policies.

28.3 Certain DAP positions will require the use of an electronic mobile communication device (cell phone) based on the essential functions of the employee's position and business needs.

28.3.1 Basic cell phones will be issued to employees whose jobs require them to be reached by phone only. Basic cell phone plans do not include text and data plans.

28.4 If a phone on the DAP cell phone plan is lost or broken, the employee must contact the Department Manager or Director immediately so that the local phone store can be notified a phone on the DAP cellphone plan will be replaced. All basic phones will be replaced by DAP.

28.5 Employees with phones are bound by the "Technology Use Policy" in this handbook. Employees not using a DAP-required cell phone or smartphone properly or within parameters outlined by DAP may be subject to disciplinary action up to and including termination of employment.

28.6 Personal calls and texting during the workday, regardless of the device used, can interfere with safety, employee productivity and can be distracting to others. Employees are prohibited from making or receiving personal calls, texting, accessing social media or personal email or otherwise using an electronic device in work areas. Personal use of an electronic device should occur only during breaks and meal periods.

28.7 Use of an electronic device while driving a motor vehicle or operating mobile equipment is not required by DAP and is prohibited. Employees are expected to follow applicable state or federal laws or regulations regarding the use of a mobile communication device at all times. Employees whose job responsibilities include regular or occasional driving and who use a mobile communication device to conduct DAP business are expected to refrain from using their mobile communication device while driving. Regardless of the circumstances, the following applies:

- 28.7.1 Employees should allow voicemail to handle calls and return them when safe.
- 28.7.2 Employees should pull off of the road to a safe location and stop the vehicle before using a mobile communication device.
- 28.7.3 Employees should ask a passenger to make or take the call.

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

- 28.7.4 Employees should inform regular callers of the best time to reach you based upon your driving schedule.
- 28.7.5 If unable to do the above, hands-free equipment must be used when employees make or take a call while driving and only when safe to do so.
- 28.7.6 Under no circumstances are employees permitted to place themselves or the public at risk to fulfill business needs.
- 28.7.7 If an employee is in an accident while using a mobile communication device, any costs, fees and/or fines will be solely the responsibility of the driver and the employee may be subject to disciplinary action up to and including termination of employment.

28.8 Employees operating a Commercial Motor Vehicle (CMV) on a highway, including while temporarily stationary because of traffic, a traffic control device or other momentary delays are prohibited from using a hand-held mobile communication device; from dialing a mobile communication device by pressing more than a single button; and from reaching for a mobile communication device in an unacceptable and unsafe manner.

28.9 Recording Devices: Employees are not to bring or use imaging equipment (i.e., cameras of any kind) in areas where personal privacy is generally expected, including but not limited to dressing rooms, bathrooms, locker rooms, etc. In public areas or at DAP-sponsored events, employees may use cameras and similar equipment with permission, as long as they do not disrupt the workplace, annoy others or violate a company policy. Electronic equipment on DAP's premises or at DAP-sponsored events may not be used to defame, embarrass or disparage DAP, employees, customers, vendors or competitors. Privileged or confidential materials, such as, but not limited to personnel matters, trade secrets or attorney-client communications are not to be photocopied, scanned, photographed or otherwise reproduced except by authorized personnel in furtherance of company business. Recording conversations is prohibited in Pennsylvania, unless all parties have prior notice that the conversation will be monitored or recorded and have given consent.

28.10 DAP may find it necessary to monitor DAP property with security cameras for business-related reasons. Employees should have no expectation of privacy upon DAP property except inside restrooms or closed changing rooms where employees undress. Open employee locker areas are not changing rooms. DAP will never utilize security cameras inside restrooms or closed changing rooms where employees undress, and employees should report to their manager any suspicious device appearing in these locations. Recorded footage may be used to assist in any DAP or governmental investigation. Employees should contact their manager or the Human Resources Department for any questions about this policy.

28.11 This policy is not intended and should not be interpreted to interfere with the rights of employees to engage in concerted activity that is protected under the National Labor Relations Act.

29.0 TECHNOLOGY USE

29.1 DAP is committed to providing an environment that encourages the use of computers and electronic information as essential tools to support our business. The ability to use computers to gather information, to communicate and collaborate with others has become a fundamental skill for every employee. This policy sets rules, procedures and guidelines that govern access to and use of DAP technology assets and services.

29.2 DAP provides access to local networks, electronic mail, business applications and the Internet to facilitate the business needs of DAP. This policy applies to all DAP technology, applications, IT services, hardware, software and all other IT assets. This section does not apply to communications that constitute protected, concerted activity under the National labor Relations Board.

29.3 Business Use: DAP technology resources are provided for and are to be used in the support of DAP business objectives. All DAP technology, IT services, applications and networks, including the Internet access, are intended for business purposes only. It is the responsibility of each employee to ensure that this technology is used for proper business purposes and in a manner that does not compromise the confidentiality of proprietary or other sensitive information.

29.3.1 All pass codes that an employee is using for business purposes will be housed in the DAP password database. All passwords for DAP-related activities that more than one employee may use must be added to the database when new and must be updated in the database when changed.

29.3.2 Email messages are a formal means of business communication. Emails should be written in a professional manner and should contain information pertaining to the business. Consider your routing lists carefully and exercise the same care you would with any written document before sending email messages. 29.3.3 Email messages received from an unknown sender should be deleted to prevent viruses and other messages.

29.4 Privilege: The use of DAP technology resources, applications, email, the Internet, and computer networks is a privilege, not a right. Any inappropriate use will result in the cancellation of the privilege and/or disciplinary and/or legal action by DAP.

29.6 Personal Equipment: Select employees may be provided with VPN remote access to be able to access DAP files electronically. This will be for employees who have an essential business need to work remotely frequently or occasionally. Any employee must have approval from their manager and Senior Management before remote access can be granted. Employees with remote VPN access must maintain updated antivirus software at DAP's expense on the computer in which VPN remote access will be used. DAP reserves the right to do system audits on home computers on which DAP data is accessed.

29.7 Privacy: There is no right to privacy when using DAP corporate technology resources. User should have no expectation that any email, files, documents, pictures or other information (including any and all personal files, pictures, information, etc.) stored on DAP-owned or DAP-operated phones, computers, computer networks will be private. Authorized administrators can (and do!) access network files, data, email and web browsing information, without prior notice, in order to maintain system integrity and performance in the course of their job functions.

29.8 Copyright and Software Licensing: All software placed on Company computers must have a valid license for each copy used. Prior authorization from licensor is required to copy, distribute, display or disclose third party proprietary software. Employees may not attempt to gain access to, copy, move or remove information, proprietary software or other programs from files not authorized to view. Employees may not load any software, including screensavers, wallpaper, freeware or shareware onto DAP technology devices without prior consent of DAP. Violation of copyright and licensing laws violates company policy and is illegal. All questions about software licensing should be directed to the Director of IT.

29.9 Confidentiality: All communications, documents, files, pictures, data, email (including personal files, pictures, music, etc.) and any/all other information accessible via DAP networks and/or technology resources, services, and equipment are considered DAP property and subject to the disclosure rules as defined in the Confidentiality policy.

30.0 SOCIAL MEDIA

30.1 Social networks have become an increasingly prevalent form of communication in our personal and professional lives. referred to as Social Media). All employees should exercise good judgment and common sense when accessing and using Social Media.

30.3 As an employee of DAP, you may not post, discuss or disseminate any non-public information, whether through words, documents, pictures, texts, blogs, or videos relevant to the business on the Internet. You should be aware that your online presence reflects upon DAP and what you post via images or comments can impact DAP in a negative manner. You are not an authorized spokesperson for DAP.

31.0 AMERICANS WITH DISABILITIES ACT

31.1 It is the policy of DAP to comply with all federal and state laws concerning the employment of persons with disabilities and act in accordance with regulations and guidance issued by the Equal Employment Opportunity Commission (EEOC). DAP does not discriminate against qualified individuals with disabilities in job application procedures, hiring, firing, advancement, compensation, job training and other terms, conditions and privileges of employment, as defined in the Americans with Disabilities Act (ADA) and the Americans with Disabilities Amendments Act (ADAAA).

31.2 An applicant or employee is disabled, as defined in the ADA, where the applicant or employee has "a physical or mental impairment that substantially limits one or more of the major life activities of such individual." This policy recognizes and accepts the position of the EEOC that one is disabled, in regard to working, where one has a disability that substantially limits one's ability to perform a wide variety of jobs reasonably relevant to the particular individual.

31.3 A reasonable accommodation is a modification to a job which will allow an individual with a disability to perform the essential functions of the job.

31.4 If an individual can perform the essential functions of a job with or without reasonable accommodation, DAP will provide a reasonable accommodation in accordance with the ADA/ADAAA if a reasonable accommodation is needed, unless doing so causes a direct threat to these individuals or others in the workplace and the threat cannot be eliminated by reasonable accommodation and/or if the accommodation creates an undue hardship to DAP. Employees should contact Human Resources with any questions or requests for accommodation.

31.5 When an individual with a disability is requesting accommodation and can be reasonably accommodated without creating an undue hardship or causing a direct threat to workplace safety, he or she will be given the same consideration for employment as any other applicant. Applicants who pose a direct threat to the health, safety and well-being of themselves or others in the workplace when the threat cannot be eliminated by reasonable accommodation will not be hired. All employees are required to comply with DAP safety standards. Current employees who pose a direct threat to the health and/or safety of themselves or other individuals in the workplace will be placed on appropriate leave until an organizational decision has been made in regard to the employees' immediate employment situation.

31.6 Individuals who are currently using illegal drugs or using legal drugs in an illegal manner are excluded from coverage under DAP ADA policy.

31.7 When an employee asserts the existence of an ADA disability, DAP will consult with the employee regarding the nature of the disability and how it impacts the

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

performance of the essential functions of the job. Because of the interactive process, DAP may seek information from the employee's medical providers, occupational therapist, or other person who may be informed about the asserted disability or appropriate accommodations. In addition, DAP may, at its own cost, have that assertion of a disability analyzed, or the request for accommodation reviewed by medical authorities or relevant professionals of its choice. The scope of the examination would be limited to relevant issues; i.e. Is there medical evidence of an ADA disability given the essential functions of the relevant job? and What accommodation, if any, would permit the employee to perform the essential functions of the job?

31.8 When an employee seeks to return to work from a lengthy medical leave of absence, DAP may, in the exercise of reasonable discretion, and at its own cost, have the employee medically examined. The scope of the examination shall be limited to the issues which created the need for a medical leave in the first place, as those medical issues might relate to the employee's ability to perform the essential functions of the relevant job.

31.9 Any medical documentation obtained through this examination process shall be maintained as a confidential medical record.

31.10 In the event that an examination conducted as outlined above produces the conclusion that the employee does have an ADA disability impacting the examined individual's ability to perform all of the essential functions of the relevant job, then the Senior Director of Human Resources and the employee shall engage in a thorough discussion of the possibilities of reasonable accommodation.

32.0 FAMILY MEDICAL LEAVE ACT (FMLA)

32.1 DAP will comply with the Family and Medical Leave Act of 1993 (FMLA or Act) implementing Regulations as revised effective October 28, 2009. The company posts the mandatory FMLA Notice and upon hire provides all new employees with notices required by the U.S. Department of Labor (DOL) on Employee Rights and Responsibilities under the Family and Medical Leave Act. Notices can be found on the bulletin boards in the Park Office, Ride Office, Laguna Guest Services and Human Resources Office. The function of this policy is to provide employees with a general description of their FMLA rights. In the event of any conflict between this policy and the applicable law, employees will be afforded all rights required by law.

32.2 General Provisions: Under this policy, DAP will grant up to 12 weeks of FMLA leave or up to 26 weeks of military caregiver leave to care for a covered service member with a serious injury or illness during a rolling 12-month period to eligible employees. This leave is an unpaid leave of absence; however DAP requires that employees who take FMLA must exhaust all available PTO. PTO will run concurrently

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

with FMLA. If an employee takes PTO for a condition that progresses into a serious health condition and the employee requests unpaid leave as provided under this policy, DAP may designate all or some portion of related leave taken as leave under this policy, to the extent that the earlier leave meets the necessary qualifications. Disability leave for the birth of the child and for an employee's serious health condition, including workers' compensation leave (to the extent that it qualifies), will be designated as FMLA leave and will run concurrently with FMLA.

32.3 This policy covers illnesses of a serious and long-term nature, resulting in recurring or lengthy absences. An employee may take leave because of a serious health condition that makes the employee unable to perform the functions of the employee's position. A serious health condition is defined as a condition that requires inpatient care at a hospital, hospice or residential medical care facility, including any period of incapacity or any subsequent treatment in connection with such inpatient care or a condition that requires continuing care by a licensed health care provider. Generally, a chronic or long-term health condition that would result in a period of three consecutive days of incapacity with the first visit to the health care provider within seven days of the onset of the incapacity and a second visit within 30 days of the incapacity would be considered a serious health condition. For chronic conditions requiring periodic health care visits for treatment, such visits must take place at least twice a year. Employees with questions about what illnesses are covered under this FMLA policy are encouraged to consult with the Director of Benefits.

32.4 Eligibility: To qualify to take FMLA under this policy, the employee must meet all of the following conditions:

32.4.1 The employee must have worked for the company for 12 months or 52 weeks. The 12 months or 52 weeks need not have been consecutive. Separate periods of employment will be counted, provided that the break in service does not exceed seven years. Separate periods of employment will be counted if the break in service exceeds seven years due to National Guard or Reserve military service obligations or when there is a written agreement, stating the employer's intention to rehire the employee after the service break.

32.4.2 The employee must have worked at least 1,250 hours during the 12-month period immediately before the date when the leave is requested to commence. The principles established under the Fair Labor Standards Act (FLSA) determine the number of hours worked by an employee. The FLSA does not include time spent on paid or unpaid leave as hours worked. Consequently, these hours of leave will not be counted in determining the 1,250 hours eligibility test for an employee under FMLA.

32.5 Type of Leave Covered: To qualify as FMLA leave under this policy, the employee must be taking leave for one of the reasons listed below:

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

32.5.1 The birth of a child and to bond with a newborn child.

32.5.2 The placement of a child for adoption or foster care and to care for the newly placed child.

32.5.2.1 Leave to bond with a newborn child or for a newly placed adopted or foster child must conclude within 12 months after the birth or placement. If the newly born or newly placed child has a serious health condition, the employee has the right to take FMLA leave to care for the child intermittently, if medically necessary and such leave is not subject to the 12-month limitation.

32.5.3 To care for a spouse, child or parent with a serious health condition.

32.5.4 The serious health condition of the employee.

32.5.5 Qualifying exigency leave for families of members of the National Guard or Reserves or of a regular component of the Armed Forces when the covered military member is on covered active duty or called to covered active duty. An employee whose spouse, son, daughter or parent either has been notified of an impending call or order to covered active military duty or who is already on covered active duty may take up to 12 weeks of leave for reasons related to or affected by the family member's call-up or service. The qualifying exigency must be one of the following: 1) short-notice deployment, 2) military events and activities, 3) child care and school activities, 4) financial and legal arrangements, 5) counseling, 6) rest and recuperation, 7) post-deployment activities and 8) additional activities that arise out of active duty, provided that the employer and employee agree, including agreement on timing and duration of the leave.

32.5.5.1 "Covered active duty" means: (a) in the case of a member of a regular component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country; and (b) in the case of a member of a reserve component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a call or order to active duty under a provision of law referred to in section 101(a)(13)(B) of title 10, United States Code.

32.5.5.2 The leave may commence as soon as the individual receives the call-up notice. (Son or daughter for this type of FMLA leave is defined the same as for child for other types of FMLA leave except that the person does not have to be a minor.) This type of leave would be counted

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

toward the employee's 12-week maximum of FMLA leave in a rolling 12-month period.

32.5.6 Military caregiver leave (also known as covered service member leave) to care for an injured or ill service member or veteran. An employee whose son, daughter, parent or next of kin is a covered service member may take up to 26 weeks in a single rolling 12-month period to take care of leave to care for that service member. Next of kin is defined as the closest blood relative of the injured or recovering service member.

32.5.6.1 The term "covered service member" means: (a) a member of the Armed Forces (including a member of the National Guard or Reserves) who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or (b) a veteran who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

32.5.6.2 The term "serious injury or illness": (a) in the case of a member of the Armed Forces (including a member of the National Guard or Reserves), means an injury or illness that was incurred by the member in line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating; and (b) in the case of a veteran who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during a period when the person was a covered service member, means a qualifying (as defined by the Secretary of Labor) injury or illness that was incurred by the member in line of duty on an active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that manifested itself before or after the member became a veteran.

32.6 Amount of Leave:

32.6.1 An eligible employee can take up to 12 weeks for the FMLA circumstances listed in 32.5 above under this policy during any rolling 12-month period. The company will measure the 12-month period as a rolling 12-month period measured backward from the date an employee uses any leave under this

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

policy. Each time an employee takes leave, the Company will compute the amount of leave the employee has taken under this policy in the last 12 months and subtract it from the 12 weeks of available leave, and the balance remaining is the amount the employee is entitled to take at that time.

32.6.2 An eligible employee can take up to 26 weeks for the military caregiver leave during a single 12-month period. For this military caregiver leave, DAP will measure the 12-month period as a rolling 12-month period measured forward. FMLA leave already taken for other FMLA circumstances will be deducted from the total of 26 weeks available.

32.6.3 If a husband and wife both work for DAP and each wishes to take leave for the birth of a child, adoption or placement of a child in foster care, or to care for a parent (but not a parent "in-law") with a serious health condition, the husband and wife may only take a combined total of 12 weeks of leave. If a husband and wife both work for DAP and each wishes to take leave to care for a covered injured or ill service member, the husband and wife may only take a combined total of 26 weeks of leave.

32.7 Employee Benefits During Leave: During any FMLA leave, DAP will continue to make premium payments to maintain an employee's health care coverage under the same terms and conditions as in existence on the date leave begins, or as changed during the period when the employee is on leave. However, this does not eliminate the requirement of employee co-payments for those employees who normally have co-payments towards their insurance coverage. Provisions for employee co-payments will be made at the time of the leave request. If any co-payment is more than 30 days past due, DAP will terminate health care coverage retroactively to the date the co-payment was due and continue for the duration of the leave period. Coverage will be restored upon return to work. Employee HSA and 401K contributions are only made if the employee receives a pay check. Employer 401K contributions are only made if the employee receives a check. Because Company performance bonuses are discretionary and performance/production-based, the bonus for any otherwise qualified employee using an FMLA leave of absence during the time period for the bonus will be reduced equal to the time on leave greater than four (4) weeks and not paid thru PTO.

32.8 Employee Responsibility:

32.8.1 When requesting FMLA leave, whether paid or unpaid, a 30-day advance notice is required where the necessity for leave is foreseeable. Where the need for leave is not foreseeable, the employee must provide such notice as soon as practical (within one or two days of discovering the need for leave). Failure to provide such notice may result in the employee's leave being delayed.

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

32.8.2 Employees requesting leave due to their own or a qualifying family members' serious health condition must, in conjunction with the relevant health care provider, submit medical certification of the need for leave. Failure of the employee to provide the completed forms to DAP within 15 days of the request for such forms may result in denial of leave until certification is provided or revoking an employee's entitlement to continued leave. Medical certification will be provided using the appropriate U.S. Department of Labor form.

32.8.3 Employees must notify DAP of their intent to return to work every 30 days. Employees or the employee's family member, where applicable, must provide recertification for the serious health condition after the minimum duration of the serious health condition on the initial certification expires and when circumstances have changed significantly, or if the DAP receives information casting doubt on the reason given for the absence, or if the employee seeks an extension of his or her leave. In all cases, DAP will request recertification every six (6) months in connection with an absence.

32.8.4 Employees requesting an intermittent leave or leave on a reduced schedule due to a serious health condition must first make a reasonable effort to schedule any treatment so as to not unduly disrupt the operations of the employee's Department (if such need is reasonably foreseeable) and provide as part of the medical certification from the health care provider a statement as to why such leave is medically necessary.

32.8.5 Employees returning from a leave due to their own serious illness or injury must provide to Human Resources, two (2) working days prior to reinstatement, a "DAP Return to Work" form completed by their health care provider.

32.9 DAP Responsibility:

32.9.1 Within five (5) business days after the employee has submitted the appropriate certification form, the Director of Benefits or Senior Director of Human Resources will designate any leave as FMLA where the circumstances indicate that the leave qualifies and shall inform the employee of this fact, using the appropriate U.S. Department of Labor form, and of any PTO that must be used as part of the 12-week FMLA leave.

32.9.2 DAP, using a health care professional, a Human Resource professional, leave administrator or management official, may directly contact the employee's health care provider or the employee's family member's health care provider for purposes of verifying or clarifying medical certification or recertification. DAP will not use the employee's direct manager for this contact. Before DAP makes this direct contact with the health care provider, the employee

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

will be given an opportunity to resolve any deficiencies in the medical certification. In compliance with HIPAA Medical Privacy Rules, DAP will obtain the employee's or the employee's family member's permission for clarification of individually identifiable health information. DAP may provide the employee's health care provider with the employee's attendance records and ask whether need for leave is consistent with the employee's serious health condition.

32.9.3 DAP has the right to ask for a second opinion if it has reason to doubt the medical certification. DAP will pay for the employee or the employee's family member to get a certification from a second doctor, which DAP will select. DAP may deny FMLA leave to an employee who refuses to release relevant medical records to the health care provider designated to provide a second or third opinion. If necessary to resolve a conflict between the original certification and the second opinion, DAP will require the opinion of a third doctor. DAP and the employee will mutually select the third doctor, and DAP will pay for the opinion. This third opinion will be considered final. The employee will be provisionally entitled to leave and benefits under the FMLA pending the second and/or third opinion.

32.10 Restoration of Employment: Employees returning from a FMLA leave are generally entitled to be restored to their previous position or to an equivalent position with equivalent pay, benefits and other terms and conditions of employment. Exceptions to this general rule include but are not limited to layoffs, reduction in OT hours, shift eliminations, fraudulently obtaining leave and occasions when the employee is unable to perform the essential job functions. DAP may choose to exempt certain key employees from this requirement and not return them to the same or similar position. Employees that return to work after exceeding their twelve (12) weeks of a qualifying FMLA leave of absence (i.e., return after 13 weeks) are no longer guaranteed to return to work to the same position with the same pay.

32.10.1 Any employee returning from a leave of absence for a period of twelve (12) weeks or longer shall submit to a drug test and must receive a confirmed negative test result prior to returning to work.

32.10.2 Employees will only be permitted to return to work after Human Resources has received a detailed, written return to work authorization form from their attending physician. This must include any work restriction that may have been placed upon the employee by the treating physician. It is the employee's responsibility to ensure that Human Resources has the necessary return to work documentation.

32.11 Fraud: An employee who fraudulently obtains Family and Medical Leave from DAP is not protected by the FMLA's job restoration or maintenance of health benefits

provisions. In addition, DAP will take all available appropriate disciplinary action against such employee due to such fraud.

32.12 Outside/Supplemental Employment: Employees are prohibited from outside/supplemental employment while on FMLA leave and any other form of leave.

33.0 TWO-WAY RADIO COMMUNICATIONS

33.1 DAP uses two-way radios as a primary means of communication between employees and departments on a daily basis. This method of communication allows us to quickly communicate information that is vital to park operations. Each department will provide two-way radio training, if applicable.

33.2 Radio Etiquette: Information transmitted by radio can be heard by other employees and Park guests. Therefore, all employees should adhere to the following:

- Keep communications brief and professional in nature.
- No vulgar language or inappropriate comments are to be transmitted on the radio.
- Prior to speaking on a channel, be sure no one else is speaking on that channel.
- Hold the button in one full second prior to talking to avoid speech being cut off.
- Speak clearly and slowly.
- Don't describe details by radio; request a phone call or visit to your location so that details can be discussed privately.

33.3 Each department is assigned a radio channel. Channel assignments are as follows:

Channel 1	Park Main Office/First Aid/Information Booth
Channel 2	Security/Parking
Channel 3	Rides/Maintenance
Channel 4	Aquatics/Waterside Clean Up
Channel 5	Games/Marketing/Retail
Channel 6	Murf's Kitchen/Catering/Food Concession/Water Carts
Channel 7	Operations/Parkside Clean Up

33.4 In the event of an emergency, Channel 1 is designated as the priority channel and all transmissions should cease until an "All Clear" announcement is made. In the event of a power failure, Channel 3 will become the priority channel.

34.0 MILITARY LEAVE OF ABSENCE

34.1 A military leave of absence may be granted if you enlist, are inducted, or are recalled to active duty in the Armed Forces of the United States, including the Reserves

and National Guard, for a period of not more than five (5) years. Employees who perform and return from military service in the Armed Forces, the Military Reserves, or the National Guard shall have and retain such rights with respect to reinstatement, seniority, PTO, layoffs, compensation, and length of service pay increases as may be from time to time provided, in accordance with applicable federal or state law.

34.2 Upon satisfactory completion of military service and timely notice of intent to return to work, you will be reinstated to a job comparable to the one you left, provided you are qualified and DAP circumstances have not changed to the extent that it would be impossible or unreasonable to provide re-employment. You must reapply for a job as follows:

34.2.1 In the case of a person whose period of service was less than 31 days, by reporting to DAP not later than the beginning of the first full regularly scheduled work period on the first full calendar day following the completion of the period of service and the expiration of eight hours after a period allowing for the safe transportation of the employee from the place of that service to the employee's residence; or as soon as possible after the expiration of the eight-hour period referred to above, if reporting within the period is impossible or unreasonable through no fault of the employee. This provision also applies to any employee who is absent from a position of employment for a period of any length for the purposes of an examination to determine the person's fitness to perform service in the uniformed services.

34.2.2 In the case of an employee whose period of service was for more than 30 days but less than 181 days, by submitting an application for reemployment with DAP not later than 14 days after the completion of the period of service or if submitting such application within such period is impossible or unreasonable through no fault of the employee, the next first full calendar day when submission of such application becomes possible.

34.2.3 In the case of an employee whose period of service was for more than 180 days, by submitting an application for reemployment with DAP not later than 90 days after the completion of the period of service.

34.2.4 DAP will comply with the Uniform Services Employment and Reemployment Rights Act in all other circumstances.

34.3 If upon return from military service you are physically unable to perform the duties of your previous job with or without reasonable accommodation, DAP will attempt to place you in a position of similar status and pay compatible with your physical abilities.

DELGROSSO'S AMUSEMENT PARK INC.

34.4 A military leave of absence will also be granted if you participate in annual encampment or training duty in the U.S. Military Reserves or the National Guard. In these circumstances, you may either use vacation days or take leave without pay at your option. If you are on military leave during a DAP defined paid holiday, you will receive full holiday pay from DAP irrespective of any military pay earned that day.

34.5 An employee on Military Leave may elect to continue health insurance at the employee's expense for the employee and his/her family for up to twenty (24) months while performing such service.

35.0 WORKPLACE VIOLENCE

35.1 DAP is committed to preventing workplace violence and to maintaining a safe work environment. DAP is committed to dealing with intimidation, harassment or other threats of actual violence that may occur onsite or offsite during work-related activities. Employees, customers, vendors, and business associates should be treated with courtesy and respect at all times. DAP encourages employees to bring their disputes to the attention of their manager or the Human Resource Department before the situation escalates without fear of discipline to employees for raising such concerns.

35.2 Employees are expected to refrain from fighting, "horseplay" or other conduct that may be dangerous to others. Conduct that threatens, intimidates, or coerces another employee; customer, vendor or business associate will not be tolerated. DAP's resources may not be used to threaten, stalk or harass anyone at the workplace or outside of the workplace. DAP treats threats coming from an abusive personal relationship as it does other forms of violence.

35.3 Indirect or direct threats of violence, incidents of actual violence, and suspicious individuals or activities should be reported as soon as possible to a manager, Security, Human Resources, or any member of Senior Management. When reporting a threat or incident of violence, the employee should be as specific and detailed as possible. Employees should not place themselves in peril, nor should they attempt to intercede during an incident.

35.4 Employees should promptly inform the Human Resources Department of any protective or restraining order that they have obtained that lists the workplace as a protected area. Employees are encouraged to report safety concerns with regard to intimate partner violence. DAP will not retaliate against employees making good-faith reports. DAP is committed to supporting victims of intimate partner violence by providing referrals to community resources.

35.5 The Senior Director of Human Resources will promptly and thoroughly investigate all reports of threats of violence or incidents of actual violence and of suspicious individuals or activities. The identity of the individual making a report will be

protected as much as possible. DAP will not retaliate against employees making good-faith reports of violence, threats or suspicious individuals or activities. In order to maintain workplace safety and the integrity of its investigation, DAP may suspend employees suspected of workplace violence or threats of violence, either with or without pay, pending investigation.

35.6 Anyone found to be responsible for threats of or actual violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including termination of employment.

36.0 EMPLOYEE RECORDS

36.1 DAP keeps certain records relating to your employment in an employee file. Some employment records are kept in separate files, such as records relating to medical conditions and leaves, records relating to investigations and records relating to I-9 requirements.

36.2 Employee files are maintained by the Human Resource Department and are considered confidential. Access will be limited to only those who have a job-related need to know the information. Files will include: employee information; payroll, wage, and tax information; benefit and beneficiary information; education and training records, performance reviews, disciplinary actions; and any other miscellaneous employee information. Documents contained within the employee files are considered DAP's property and may not be copied or distributed by the employee or managers; however, notes may be taken.

36.3. A manager considering the hire of a former employee or the transfer of a current employee may be granted access to the file, or limited parts of the file in accordance with anti-discrimination laws. Managers should request an appointment to review employee files.

36.5 Contact the Human Resources Department to request access to an employee file.

36.6 Employees may only review their file in the Human Resource Department during regular business hours. A representative of the Human Resources Department will be present with the employee during the file review. Employee files should not be removed from the Human Resource Department unless in the possession and presence of a member of the Human Resource Department and only under special circumstance.

36.7 Representatives of government or law enforcement agencies, in the course of their duties, may be allowed to access employee file information. This decision will be made at the discretion of DAP or the Senior Director of Human Resources in response to the employee's request, a valid subpoena, or valid court order.

37.11 Please note that employees of DAP who would like to apply for a position within a separate DelGrosso family-owned company, must complete an application for employment. Completing an application for employment does not constitute an intercompany transfer.

37.12 Management reserves the right to waive the amount of time employed and transfer limits if an employee transfer would meet a business need that would be of benefit to DAP. This would be reviewed on a case by case basis.

37.13 The Hiring Manager, in conjunction with Human Resources, is required to research the employment history and reason for separation of any candidate who has been previously employed by DAP or any other DelGrosso family-owned company prior to extending an offer of employment.

38.1 Although we hope your employment with DelGrosso Foods (DAP) will be a mutually rewarding experience, we understand that varying circumstances do cause employees and employers to separate an employment relationship.

38.2.3 An employee who fails two times to report off work by the close of business of the day absent without properly communicating (i.e. actually speak to) to their manager the reasons for his/her absence will be viewed on the second no call, no show as voluntarily resigning his/her employment with DAP without notice effective the date of the second absence.

38.2.4 An employee who fails to return from an approved leave of absence for a period of one day without properly communicating with the Director of Benefits the reasons for his/her absence will be viewed as voluntarily resigning his/her employment with DAP without notice effective the date the employee was scheduled to return from the leave of absence.

38.3 Involuntary Termination: An involuntary termination is a separation at the direction of the employer. An employee can be terminated with or without cause at any time whatsoever at the sole and absolute discretion of DAP. Employees who have been terminated by DAP without cause are entitled to unused accrued PTO benefits according to the PTO policy for the current year so long as the employee returns all DAP-owned or controlled property and has not violated any DAP policy. 38.8 Departing employees must confirm their forwarding address with Human Resources to ensure that benefits and tax information are received in a timely manner. Final pay will be mailed to this address.

38.10 The departing employee's manager must complete and forward to Human Resources an Employee Change Form. This form must be completed to ensure that the employee is terminated in a uniform and consistent manner from all appropriate systems, that DAP-owned or controlled property is reclaimed and that the employee's final pay check is paid in accordance with state and federal laws and regulations.

38.11 Employment References and Verifications: All employment references and verification will be processed through the Human Resources Department. Human Resources will only provide dates of employment, position title and eligibility for re-hire for requested employment references. Employment verification request will require a signed release by the employee faxed to Human Resources so that any confidential information can be disclosed to the requestor(s).

39.0 SAFETY

39.2 DAP holds Safety Committee Meetings every month. The Safety Committee is made up of management and non-management staff. Non-members are welcome to attend as a guest at any time. There is a suggestion box in the Park Office and Laguna Splash Guest Services where employees may place suggestions to improve the safety of themselves and others. 39.3 During your employment at DAP, you may come in contact with hazardous substances. Safety Data Sheets (SDS) sheets are maintained on all chemicals used

within the DAP facility. A manual regarding their handling is located in park side First Aid, water side First Aid and the Laguna Splash pump room.

39.4 Each employee is responsible for cleaning up his work area and space. All materials should be put away in the appropriate space. Any spills must be cleaned up immediately. Employees will be instructed in the proper use of safety equipment. Each employee is responsible for following these instructions, and the failure to do so may result in disciplinary action.

When returning from a trip or before the completion of the workday, drivers should remove any and all trash inside the vehicle, sweep out any excessive mud or dirt in the vehicle and ensure windows are closed.

It is important to carefully check all aspects of the vehicle to ensure that there are no safety or mechanical problems. (i.e., tire pressure, headlights etc.) Employees who operate any company vehicle should complete an inspection form and be sure to have the vehicle registration and insurance card before departing. The inspection sheet should be turned in to your manager. If you encounter any problems while inspecting the vehicle, you must report the problem immediately to your manager and document the problem on the inspection form.

It is important that you inform your manager of any work-related or non-work-related violation or "At Fault" accident immediately upon returning to work. Your manager will make a copy of the notification and place it into your Driver's Qualification file. Disciplinary actions will be taken if you fail to report this information.

41.0 TRAVEL

41.1 The purpose of this policy is to ensure that all employees have a clear and consistent understanding of the policies and procedures for business travel and expenses.

41.2 The traveler is responsible for complying with the Travel Policy. The manager who approves and signs expense reports is responsible for accurately reviewing expense reports for compliance. DAP will reimburse employees for all reasonable and necessary expenses while traveling on authorized business or entertaining business clients. DAP assumes no obligation to reimburse employees for expenses that are not in compliance with this policy. Employees who do not comply with this policy may be subject to delay or withholding of reimbursement and/or disciplinary action.

41.3 Alcoholic Beverages: It is DAP's policy to refrain from consuming alcoholic beverages during business functions. However, in the event an employee chooses to consume alcoholic beverages in connection with a business function, DAP expects that employees will act responsibly and avoid excess. If an employee has any concerns that he/she is not capable of safely driving after such events, DAP will reimburse the cost of alternative transportation to ensure that the employee does not place themselves or others in danger. An employee, who is arrested and convicted for driving under the influence of a controlled substance while in the performance of DAP business, or when returning from a business function, is subject to disciplinary action up to and including termination. The costs associated with such action(s) are not a reimbursable expense.

completion and may result in delay or non-reimbursement of specific items. Disregard for DAP policy or altering of receipts can result in disciplinary action up to and including termination.

41.10 Air/Rail Travel: Air travel reservations should be made in such a manner as to secure the best available fare. When traveling by air, employees are expected to use the lowest logical airfare available and non-direct flights when the savings are substantial. All international travel and trips over \$2,000 require the approval of the President/Vice President. Upgrades for air travel are not reimbursable, i.e. if an employee wishes to upgrade, it is done at the employee's expense.

41.10.1 Cancellations: When a trip is cancelled after the ticket has been issued, the traveler should inquire about using the same ticket for future travel or transferring the reservation to another employee.

41.10.2 Unused/Voided Airline Tickets: Unused airline tickets or flight coupons must never be discarded or destroyed as these documents may have a cash value. To expedite refunds, unused or partially used airline tickets must be returned immediately to the issuing authority. Employees must NOT include unused tickets with their expense reports. Employees with an electronic ticket simply need to call the issuing authority to initiate a refund.

41.10.3 Parking: When parking at an airport or train station is part of business travel, it is expected that employees will utilize Long Term parking lots. Short Term parking fees will not be reimbursed.

41.11 Auto Travel/Car Rental: Employees may rent a car to get to their destination when driving is more cost effective than airline or rail travel. Employees may rent a car at their destination when it is less expensive than other transportation modes such as taxis, airport limousines and airport shuttles or when entertaining customers. Whenever multiple employees are traveling together, every effort to rideshare or carpool must be made.

41.11.1 Employees must reserve a car in the compact rental car category. When picking up a rental car, check with the rental car agent for any promotional rates, last-minutes specials or free upgrades. At the time of rental, inspect the car and be sure that any damage found is noted on the contract before the vehicle is accepted. When travel plans change, employees are responsible for canceling rental car reservations.

41.11.2 Employees may book a car rental class of service one level higher when the traveler can be upgraded at no extra cost, when two or more company employees are traveling together, when entertaining customers, when cars in the

authorized category are not available, or when transporting excess baggage such as booth displays.

41.11.3 Domestic travelers should always decline all insurances offered by rental agency. Additionally, whenever possible, the prepaid gas option should be declined.

41.11.4 Rental cars must be returned to the original rental city unless approved for a one-way rental, intact (i.e. no bumps, scratches, or mechanical failures), on time, to avoid additional hourly charges and with a full tank of gas.

41.11.5 Should a rental car accident occur, employees should immediately contact the rental car company, local authorities (as required), and the Human Resource Department.

41.11.6 Rental Car Gas - Gasoline for use in rental cars is reimbursable with proper documentation.

41.12 Taxi/Shuttle/Parking Fees: The use of airport shuttles and taxis upon arrival at the employee's destination is the preferred mode of transportation. Make sure to ask for a receipt if one is not offered. This documentation aids in the expense-tracking process.

41.13 Business Use of Personal Vehicle: Employees may use their personal vehicle for business purposes if it is less expensive than renting a car, taking a taxi, or using alternate transportation. Personal vehicles may also be used when transporting company goods for delivery or entertaining clients. It is the personal responsibility of the vehicle owner to carry adequate insurance coverage for their protection and for the protection of any passengers. If you drive your personal vehicle on company business and are in an automobile accident, you should be aware that your personal insurance policy will provide coverage with respect to damages to your motor vehicle and any liability to the other party if the employee is liable for the accident. The company has no liability to you with respect to damages to your motor vehicle or impacts to your insurance coverage as a result of an automobile accident.

41.14 Mileage: DAP does not reimburse for mileage when traveling to and from work; however, when an employee is asked to travel during the course of his/her work day for work-related purposes and uses his/her personal vehicle, mileage will be reimbursed from the worksite to the destination and back at the IRS mileage reimbursement rate. This mileage allowance is in lieu of actual expenses for gasoline, oil, repairs, tags, insurance, and depreciation. Therefore, actual expenses for those items will not be reimbursed when your personal vehicle is used for business. To be reimbursed for the use of your personal vehicle for business, employees must list on the expense report the date and purpose of the trip, locations traveled to and from, and total mileage.

DELGROSSO'S AMUSEMENT PARK INC.

41.15 Lodging / Hotel: Hotel reservations should be made in such a manner as to secure the best available rate. Employees are required, whenever possible, to use properties in the moderate category. Employees will receive their own private hotel room, unless the employees should choose to share a room (only with employees of the same gender unless the employees are married). In instances where an employee should choose to upgrade a hotel room, the employee will be responsible for the cost difference. In case of cancellation, employees will be held responsible and will not be reimbursed for "no-show" charges unless there is sufficient proof that the billing is in error or circumstances were beyond the traveler's control.

41.16 Meals: Personal meals are defined as meal expenses incurred by the traveler when dining alone on an out-of-town business trip. Approximate meal expense guidelines are \$10/day for breakfast, \$15/day for lunch and \$30/day for dinner or a total of \$55.00/day.

41.17 Business Meals Taken with Other Employees: Employees will be reimbursed for business-related meals taken with other employees only when a client is present, when at least one DAP employee is from out of town, when, for confidentiality reasons, business must be conducted off DAP premises, and when employees are on a DAP business trip together. The following documentation is required by the IRS, and must be recorded on the expense report:

- Names of individuals present, their titles and company name,
- Name and location of where the meal or event took place,
- Exact amount and date of the expense.

Please note that employees will not be reimbursed for entertaining other employees unless there is a direct reporting relationship between them.

41.18 Telephone Expenses: Employees should use their DAP-issued cell/smart phones or DAP cost covered smartphone when conducting business while on travel assignments. In the event such a cell/smart phone is not available, the employee will be reimbursed when using their personal cellular telephone, calling cards or home phone for business related phone calls that are reasonable and necessary for conducting business and with a copy of the bill attached to the expense report form.

41.18.2 Air-phone Usage: Employees are strongly discouraged from using air-phones due to its high cost. Employees may use an air-phone only if an emergency or critical business issue is involved.

41.18.3 Hotel Telephone Usage: When staying at a hotel, employees should find out the property's local and long distance phone rates. Employees should avoid making phone calls that have an added surcharge.

41.20 Entertainment Expenses/Entertaining Customers: Entertainment expenses include events such as nightclubs, theatre, and sporting events, whereby a business discussion takes place during, immediately before, or immediately after the event. When entertainment expenses are expected to exceed \$200 for one event, prior approval from the President or Vice President is required to receive reimbursement and will only be granted if:

- Person entertained has a potential or actual business relationship with DAP.
- Expenditure directly precedes, includes, or follows a business discussion that would benefit DAP.

41.21 Compensation for Travel Time for Non-Exempt Employees: Employees in positions classified as non-exempt under the Fair Labor Standards Act are eligible for compensation for the time they spend traveling. The compensation an employee receives depends on the kind of travel and whether the travel time takes place within normal work hours.

41.21.1 “Normal work hours,” for the purposes of this policy, are defined in Section 11.0 Hours of Work.

41.21.2 “Travel time” is defined as including the time the employee arrives at the airport to the time the employee reaches his or her destination. If an employee is traveling to a location, then the destination is either the hotel or the worksite (if the employee travels directly from the airport to work). If the employee is returning home from a location, the destination is the airport of final arrival.

41.21.2.1 If an employee is traveling by air and no flights are available from or to the airport nearest the employee’s residence, then travel between the employee’s residence and the airport is considered travel time and is eligible for compensation in accordance with the policy guidelines below.

41.21.2.2 Travel between home and work or between the hotel and worksite is considered normal commuting time and is not eligible for compensation.

41.21.2.3 If an employee requests a specific travel itinerary or mode of transportation that is different from the one authorized by the company, only the estimated travel time associated with the itinerary and mode of transportation that has been authorized will be eligible for compensation.

41.21.3 Travel Time Within Normal Work Hours: Any portion of authorized travel time that takes place within the normal work hours (defined as 8:00 AM to 5:00 PM) on any day of the week, including Saturday and Sunday, is treated as work hours. Travel time within normal work hours will be paid at the employee’s regular hourly rate and will be factored into overtime calculations. When an employee travels between two or more time zones, the time zone associated with the point of departure should be used to determine whether the travel falls within normal work hours.

41.21.4 Travel Time Outside of Normal Work Hours: Any portion of authorized travel time (with the exception of driving time) that takes place outside of normal work hours is considered to be outside travel hours. When an employee is required to travel as a passenger in an automobile, plane or any

DELGROSSO'S AMUSEMENT PARK INC.

other mode of transportation outside of normal work hours, he or she will be compensated for that portion of travel time that takes place outside of normal work hours. When an employee travels between two or more time zones, the time zone associated with the point of departure should be used to determine whether the travel falls outside of normal work hours.

41.21.5 Travel Time as the Driver of an Automobile: All authorized travel time spent driving an automobile (as the driver, not as a passenger) is treated as work hours, regardless of whether the travel takes place within normal work hours or outside normal work hours. An employee will receive his or her regular hourly rate for all travel time spent as the driver of an automobile, and this time will be factored into overtime calculations.

41.21.5.1 Travel as a passenger in an automobile is not automatically treated as work hours. Travel as a passenger in an automobile is treated the same as all other forms of travel, and compensation depends on whether the travel time takes place within normal work hours.

41.21.5.2 If an employee drives a car as a matter of personal preference when an authorized flight or other travel mode is available, and the travel time by car would exceed that of the authorized mode, only the estimated travel time associated with the authorized mode will be eligible for compensation.

41.21.6 Calculating and Reporting Travel Time: Employees are responsible for accurately tracking, calculating and reporting travel time on their timesheets in accordance with this policy.

41.21.6.1 Meal periods should be deducted from all travel time.

41.21.6.2 If an employee requests a specific travel itinerary or mode that is different from the one authorized, only the estimated travel time associated with the authorized schedule, route and mode of transportation should be reported on the timesheet.

41.21.6.3 Travel time should be calculated by rounding up to the nearest quarter hour.

41.22 Approval/Authorization Process: The employee's manager must approve all expense reports. No employee is authorized to approve his/her own, a peer's, or a manager's travel expense report. The manager is responsible for verifying business purpose, correct totals, supporting documentation/receipts, policy compliance. Once approval has been obtained, the employee should make a copy of the signed report along with copies of receipts to keep..

42.0 SEARCHES

42.1 The Company may provide lockers, storage areas, equipment, vehicles, offices, desks or work stations for use by employees during work hours. All such items are considered to be DAP property, even while an employee is using them. DAP reserves the right to search any DAP property, at any time, with or without notice or cause, including the aforementioned items. Inspections of DAP property will be conducted by a member of the Human Resources Department and the employee's manager.

42.2 The Company reserves the right to conduct searches or inspections based on reasonable suspicion of an employee's person or personal effects including (without limitation) purses, briefcases, and motor vehicles located on company property. Searches of the person shall include the emptying of pockets and the production of other items concealed in clothing. It shall not include a pat-down search.

42.3 Any item believed to be an illegal drug and drug paraphernalia, found during a search, will be confiscated by Human Resources or the employee's manager. The individual from whom the item or substance has been confiscated will be given a written receipt listing the item or substances seized. Proper local and state law enforcement authorities will be notified when necessary.

42.4 In the administration of these search provisions, personal privacy will be considered to the maximum extent practicable.

42.5 Should any employee refuse to cooperate in a requested search, the proper authorities will be contacted. In addition, the employee will be subject to additional discipline for insubordination.

43.0 COBRA

43.1 The Consolidated Omnibus Budget Reconciliation Act (COBRA) is a law that gives workers who lose their health benefits the option to continue group health benefits provided by the plan under certain circumstances. COBRA generally requires that group health plans sponsored by employers with 20 or more employees in the prior year offer employees and their families the opportunity for a temporary extension of health coverage (called continuation coverage) in certain instances where coverage under the plan would otherwise end.

43.2 COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event". Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

coverage under the plan is lost because of the qualifying event. Under the plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

43.3 If you are an employee, you will become a qualified beneficiary if you lose your coverage under the plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

43.4 If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the plan if any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B or both); or
- You become divorced or legally separated from your spouse.

43.5 Your dependent children will become qualified beneficiaries if they lose coverage under the plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

43.6 COBRA continuation coverage will be offered to qualified beneficiaries only after the Employer has been notified that a qualifying event has occurred. For qualifying events such as divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child, you must notify the Director of Benefits within 60 days after the qualifying event occurs.

43.7 Once the Director of Benefits receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

43.8 COBRA continuation coverage is a temporary continuation of coverage.

43.8.1 When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to a total of 36 months.

43.8.2 When the qualifying event is the end of employment or reduction of the employee's hours of employment or the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare eight months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

43.8.2.1 Disability extension: If you or anyone of your family covered under the plan is determined by the Social Security Administration (SSA) to be disabled and you notify the Director of Benefits in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation of coverage.

APPENDIX A - CHILD LABOR LAWS

It is the intention of DelGrosso's Amusement Park to follow all federal and state Child Labor Laws for employees under the age of 18. All employees under the age of 18 are considered minors by the Federal and Pennsylvania Child Labor Laws. Pennsylvania requires that any minor employee (under 18) must secure a Worker's Permit before their first day of work.

When the state and federal child labor laws differ; it is our intention to follow the stricter of the two, as to not violate any laws. All employees must abide by the federal and state child labor laws indicated below:

(1) Federal Child Labor Laws

FEDERAL CHILD LABOR PROVISIONS

The federal child labor provisions, also known as the child labor laws, are authorized by the Fair Labor Standards Act (FLSA) of 1938. These provisions were enacted to ensure that when young people work, the work is safe and does not jeopardize their health, well-being or educational opportunities.

By knowing, understanding, and complying with these provisions, employers, parents, and teachers can help working teens enjoy those safe, positive, early work experiences that can be so important to their development.

OTHER LAWS THAT IMPACT CHILD LABOR

Other federal and state laws may have higher standards. When these apply, the more stringent standard must be observed. All states have child labor provisions, compulsory school attendance laws, and establish the minimum ages and conditions under which youths may operate motor vehicles.

Unless otherwise exempt, a covered minor employee is entitled to receive the same minimum wage, overtime, safety and health, and nondiscrimination protections as adult workers.

DelGrosso's Amusement Park is a covered employer under the Child Labor Provisions and must abide by the law as indicated in this section.

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

The Federal Child Labor Provisions Do Not:

require minors to obtain “working papers” or “work permits,” though many states do;

limit the number of hours or times of day that workers 16 years of age and older may legally work, though many states do;

apply to any employee whose services during the workweek are performed in a workplace within a foreign country or within a territory named in section 13(f) of the FLSA.

Exemptions from the Child Labor Provisions of the FLSA

The federal child labor provisions do not apply to:

Children 16- and 17 years of age employed by their parents in occupations other than those declared hazardous by the Secretary of Labor.

Children under 16 years of age employed by their parents in occupations other than manufacturing or mining, or occupations declared hazardous by the Secretary of Labor.

Children employed as actors or performers in motion pictures, theatrical, radio or television productions.

Children engaged in the delivery of newspapers to the consumer.

Homeworkers engaged in the making of wreaths composed principally of natural holly, pine, cedar, or other evergreens (including the harvesting of the evergreens).

Minimum Age Standards for Nonagricultural Employment

Age 14 Minimum age for employment in specified occupations outside of school hours for limited periods of time each day and each week.

Age 16 BASIC MINIMUM AGE FOR EMPLOYMENT. At 16 years of age, youth may be employed for unlimited hours in any occupation other than one declared to be hazardous by the Secretary of Labor.

Age 18 Minimum age for employment in nonagricultural occupations declared hazardous by the Secretary of Labor.

Wage Payments to Young Workers

Unless otherwise exempt or employed under conditions discussed below, covered minor employees must be paid at least the statutory minimum wage for all hours worked.

Employees under 20 years of age may be paid \$4.25 per hour during their first consecutive 90 calendar days of employment with an employer.

DELGROSSO'S AMUSEMENT PARK INC.

2021 – Seasonal

Certain full-time students, student learners, apprentices and workers with disabilities may be paid less than the minimum wage under special certificates issued by the Department of Labor.

Employers of “tipped employees” must pay a cash wage of at least \$2.13 per hour if they claim a tip credit against their minimum wage obligations. If an employee’s tips combined with the employer’s cash wage of at least \$2.13 do not equal the minimum hourly wage, the employer must make up the difference.

Employment Standards for 14- and 15-Year-Olds in Nonagricultural Employment

The FLSA confines the employment of 14- and 15-year-olds to those jobs and time periods that the Secretary of Labor has determined will not interfere with their schooling and to conditions which will not interfere with their health and well-being. Jobs that are not specifically permitted are prohibited.

Hours-Time Standards for 14- and 15-Year-Olds

Fourteen- and 15-Year-Olds May Not Be Employed:

School hours are determined by the local public school in the area the minor is residing while employed – this is true even if the minor does not attend the public school (i.e., attends a private school or is home schooled). Special provisions apply to students participating in a state sponsored Work Experience and Career Exploration Program or Work-Study Program authorized by the Department of Labor in accordance with §§ 570.36 or 570.37 of Regulations 29 CFR Part 570.

APPENDIX C

Motor Vehicle Records (MVRs) Program

Motor Vehicle Records (MVRs) provide vital information for our company when qualifying potential employees and current employees for driving privileges. The MVR is a history of a person's driving habits.

MVRs will be obtained and reviewed:

- prior to hiring an employee with driving duties.
- before placing a current employee into a new position with driving duties.
- as part of the accident investigation process for on-the-job vehicle accidents.
- annually to determine if employee will maintain driving privileges.
- on all employees that routinely drive as part of their job whether in a company owned or non-owned (personal, rental, etc.) vehicle.

Each Motor Vehicle Record (MVR) will be reviewed on its own merits. A MVR will be interpreted in relation to the driver's age, driving experience, type of violations, attitude, as well as other characteristics. When evaluating an MVR the following questions will be considered:

- Is the number of violations and accidents increasing or decreasing in relation to the age and experience of the individual?
- Do the violations indicate the individual has an attitude of disregard for traffic regulations?
- Is there a trend (frequency, type) of violations that would lead to a particular accident type?
- Are there any indicators that suggest there will be an increase or decrease in violations or accidents in the future?

MVRs will be obtained for a 3-year time period and evaluated using objective criteria defined in this program. Violations that have occurred in either a commercial or private vehicle will be considered when reviewing the MVR. Any concerns and/or consequences identified by the review of the MVR will be communicated to the driver by his/her supervisor.

APPENDIX D

EMPLOYEE RIGHTS UNDER THE FAMILY AND MEDICAL LEAVE ACT

THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

LEAVE ENTITLEMENTS

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within one year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

BENEFITS & PROTECTIONS

ELIGIBILITY REQUIREMENTS

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

REQUESTING LEAVE

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

EMPLOYER RESPONSIBILITIES

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

ENFORCEMENT

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.
